Automotive Care

Aerosphere product range

The image shows a can of Aerosphere Foaming Tyre Cleaner. The can is white with a blue band in the middle. The top part is white with a blue circular logo containing three arrows forming a triangle, and the word 'AEROSPHERE' below it. The blue band has the words 'FOAMING TYRE CLEANER' in white, and below that, in smaller text, 'Powerful foam lifts dirt, mud, brake dust & road grime'. At the bottom of the blue band is an image of a car tire. To the left of the can, a car wheel is shown with white foam being applied to it. The background is dark and blurry, suggesting a car wash or garage setting.

FOAMING TYRE CLEANER

-  Powerful foam lifts dirt, mud, brake dust & road grime
-  Deep penetration into tyre grooves
-  Restores original tyre appearance
-  Safe on rubber, rims & painted surfaces
-  Non-acidic, non-corrosive formulation

Foaming Car Interior Cleaner

Multi-surface foam cleaner

A can of AEROSPHERE Tyre Dressing Spray is shown next to a car wheel. The can is white and blue, with a clear cap. The background is dark and reflective, showing the wheel and the can's reflection.

TYRE DRESSING SPRAY

Advanced tyre care & protection

- Satin to high-gloss finish options
- Long-lasting tyre conditioning
- Prevents cracking & fading
- Water-repellent coating
- Uniform application
- Non-oily, non-fling technology

Tyre Dressing Spray

Satin to high-gloss finish

A vertical spray can of Aerosphere Dashboard Shiner is the central focus. The can is white with a blue band and a clear cap. It features the Aerosphere logo (a blue square with three white arrows in a circle) and the text 'AEROSPHERE' and 'DASHBOARD SHINER'. Below the product name, it says 'For a clean, shiny & protected interior'. The background is a blurred image of a car's interior, showing the dashboard and steering wheel.

DASHBOARD SHINER

Restores shine. Protects. Refreshes.

-  Restores shine on dashboard & plastic trims
-  Anti-static technology reduces dust attraction
-  UV protection prevents fading & cracking
-  Non-greasy smooth finish
-  Pleasant long-lasting fragrance
-  Safe on vinyl, plastic & rubber surfaces

Dashboard Shiner

Interior polish & protectant

The image features a can of Aerosphere Throttle Body Cleaner in the foreground. The can is black with a white label that includes the Aerosphere logo (a blue square with a white circular arrow), the brand name 'AEROSPHERE', and the product name 'THROTTLE BODY CLEANER' in large, bold letters. Below the product name, it says 'CLEAN. RESTORE. IMPROVE PERFORMANCE.' and shows a picture of a throttle body. At the bottom of the can, it lists 'CLEANS • DEGREASES • RESTORES IMPROVES AIRFLOW & PERFORMANCE' and 'NET. 500 ml'. In the background, there is a blurred image of an engine and some mechanical tools like wrenches and a socket on a workbench.

- **POWERFUL CLEANING**
Removes carbon, gum, varnish and dirt from throttle body and intake components.
- **IMPROVES PERFORMANCE**
Restores smooth throttle response, helps improve acceleration and engine efficiency.
- **FAST ACTING FORMULA**
Quickly penetrates and dissolves deposits for fast and effective cleaning.
- **SAFE & EFFECTIVE**
Safe on metal and most plastic parts, leaves no residue.
- **WIDE APPLICATION**
Ideal for all gasoline engines, cars, motorcycles and light-duty vehicles.

Throttle Body Cleaner

A can of Aerosphere Car Wash Shampoo is shown next to a car being washed. The can is white with a blue band and features the Aerosphere logo (a blue square with a white circular arrow) and the text "AEROSPHERE CAR WASH SHAMPOO". Below the product name, it says "Rich foam for effective dirt removal". The can has a clear cap and a spray nozzle. The background shows a car being washed with soap suds, and the ground is wet and reflective.

CAR WASH SHAMPOO

Powerful clean. Gentle care.

-  Rich foam for effective dirt removal
-  pH neutral formulation
-  Safe on paint, wax & coatings
-  Scratch-free lubrication effect
-  Removes road film, dust & oily residues
-  Easy rinse technology
-  No streaks after wash

Car Wash Shampoo

High foam concentrate

The image shows a tall, cylindrical aerosol can of Aerosphere Foaming Car Wash Spray. The can has a white upper half with a blue circular logo featuring three arrows in a clockwise cycle. Below the logo, the brand name 'AEROSPHERE' is printed in black. The lower half of the can is blue and features the product name 'FOAMING CAR WASH SPRAY' and 'WATERLESS CAR WASH' in white. Below this, the tagline 'CLEAN. SHINE. PROTECT.' is written in white, followed by 'NO WATER. NO HASSLE.' in blue. At the bottom of the blue section is a small image of a blue sports car. The can is positioned in front of a dark-colored car, with a blurred background showing a sunset or sunrise.

FOAMING CAR WASH SPRAY, WATERLESS CAR WASH

-  Quick spray-on foam cleaning
-  Instant shine enhancement
-  Removes light dirt, dust & fingerprints
-  Safe on paint, chrome & plastics
-  No water required
-  Protective gloss layer

Foaming Car Wash Spray

Waterless quick detailer

A product advertisement for Aerosphere Tyre Polish. The main image shows a silver and black aerosol can of the product standing next to a car wheel. The can has a blue circular logo with three arrows forming a triangle. The background is a blurred car wheel and tire, with a wet surface reflecting light.

**TYRE POLISH /
TYRE SHINE**

Deep black shine. Long lasting protection.

-  Rich long-lasting wet-look finish
-  Enhances deep black appearance
-  Anti-dust & anti-static properties
-  Water-resistant coating
-  UV protection
-  Non-sticky, no-sling formulation

AEROSPHERE

AUTOMOTIVE GLASS CLEANER

STREAK-FREE CLARITY.
DRIVE WITH CONFIDENCE.

AUTOMOTIVE GLASS CLEANER

CRYSTAL CLEAR VISIBILITY. SAFER DRIVING.

-  **STREAK-FREE SHINE**

-  **FRESH & CLEAN SCENT**
Leaves a refreshing fragrance for a pleasant driving experience.

AEROSPHERE

WINDSHIELD CLEANER

**STREAK-FREE CLARITY.
SAFER DRIVING.**

CLEANS • DEGREASES • IMPROVES VISIBILITY

NET. 500 ml

POWERFUL CLEANING
Effectively removes dirt, road grime, bugs, oil and other contaminants.

STREAK-FREE FINISH
Delivers a clear, streak-free shine for maximum visibility and safer driving.

SAFE & GENTLE
Safe for all glass surfaces and wiper blades. Won't damage tints or coatings.

IMPROVES VISIBILITY
Enhances clarity in all weather conditions for a clearer and safer view.

ALL SEASON FORMULA
Works in summer or winter to keep your windshield clean and road-ready.

Windshield Cleaner

Ammonia-free formula

The image shows a can of Aerosphere Car Deodorizer Spray placed on a car's center console. The can is white with a blue cap and features the Aerosphere logo, a circular arrow icon, and the text 'CAR DEODORIZER SPRAY' and 'FRESH INTERIOR. EVERY DRIVE.' The background is a blurred view of a car's interior, showing the steering wheel and dashboard.

CAR DEODORIZER SPRAY

FRESH AIR. FRESH SMILE. EVERY MILE.

-  **ELIMINATES ODOURS**
Effectively eliminates bad odours at the source.
-  **LONG-LASTING FRESHNESS**
Provides long-lasting fragrance for a pleasant driving experience.
-  **CLEAN & REFRESHING**
Cleans the air and leaves your car interior feeling fresh and clean.
-  **SAFE FOR INTERIORS**
Safe to use on all car interiors and fabrics.
-  **EASY TO USE**
Quick and convenient spray for instant freshness.

Car Deodorizer Spray

A blue and white aerosol can of Aerosphere Car Perfume. The can has a blue cap and a white body with blue accents. The label features the Aerosphere logo (a blue square with a white circular arrow), the brand name 'AEROSPHERE', the product name 'CAR PERFUME', and the tagline 'PREMIUM FRAGRANCE FOR EVERY DRIVE'. At the bottom of the can, there is a white line-art illustration of a car. The can is positioned on the left side of the advertisement, set against a blurred background of a car's interior, including the steering wheel and dashboard.

CAR PERFUME

FRESH SCENT. EVERY JOURNEY.

-  **LONG-LASTING FRAGRANCE**
Delivers a refreshing scent that lasts for hours.
-  **ELIMINATES ODOURS**
Neutralizes unpleasant smells and keeps your car interior fresh.
-  **REFRESHING & UPLIFTING**
Creates a pleasant and relaxing driving environment.
-  **SAFE & GENTLE**
Safe to use on all interior surfaces and fabrics.
-  **EASY TO USE**
Quick and convenient spray for instant freshness.

A tall, cylindrical can of Aerosphere Bike Shiner is the central focus. The can has a blue cap and a white body with blue accents. It features the Aerosphere logo (a blue square with a white circular arrow) and the text 'AEROSPHERE', 'BIKE SHINER', and 'SHINE. PROTECT. RIDE WITH PRIDE.' Below the text is a small image of a motorcycle. The background is a dark, blurred image of a motorcycle in a workshop setting.

BIKE SHINER

ULTIMATE SHINE. COMPLETE PROTECTION.

-  **BRILLIANT SHINE**
Instantly restores a deep, glossy shine to all bike surfaces.
-  **PROTECTS & PRESERVES**
Forms a protective layer that guards against dust, UV rays and corrosion.
-  **CLEANS & RESTORES**
Removes dirt, grime and fingerprints with ease.
-  **FOR ALL BIKE SURFACES**
Safe and effective on metal, plastic, rubber and painted parts.
-  **EASY TO USE**
Quick spray and wipe for professional results.

The image shows a can of Aerosphere Brakes and Parts Cleaner in a workshop. The can is white with a black cap and features the Aerosphere logo (a blue square with a white circular arrow) and the text "AEROSPHERE", "BRAKES AND PARTS CLEANER", "CLEAN. DEGREASE. IMPROVE PERFORMANCE.", "POWERFUL CLEANING • FAST DRYING", "RESIDUE FREE", and "NET. 500 ml". The background shows various brake components like rotors, pads, and calipers, along with wrenches on a workbench.

- **POWERFUL CLEANING**
Effectively removes brake dust, oil, grease, dirt and other contaminants.
- **FAST DRYING FORMULA**
Dries quickly with no residue, leaving parts clean and ready to use.
- **IMPROVES PERFORMANCE**
Helps restore braking efficiency and reduces noise caused by contamination.
- **SAFE FOR APPLICATION**
Safe on metal components and most auto parts. Non-corrosive and non-conductive.
- **WIDE APPLICATION**
Ideal for brake systems, calipers, rotors, drums, clutch parts and other automotive components.

AEROSPHERE
**CARBURETTOR
AND
CHOKE CLEANER**
CLEAN SYSTEMS.
RESTORE PERFORMANCE.

CLEANS • DEGREASES • RESTORES
IMPROVES THROTTLE RESPONSE

NET. 500 ml

- **POWERFUL CLEANING**
Removes gum, varnish, carbon deposits and dirt from carburettors and choke components.
- **IMPROVES PERFORMANCE**
Restores smooth throttle response, easy starting and optimal engine performance.
- **FAST ACTING FORMULA**
Quickly penetrates and dissolves deposits for fast and effective cleaning.
- **SAFE FOR COMPONENTS**
Safe on metal and most plastic parts when used as directed.
- **WIDE APPLICATION**
Ideal for all carburetted engines, motorcycles, scooters, cars, generators and equipment.

Carburettor & Choke Cleaner

PLASTIC RESTORER

RESTORE ORIGINAL BEAUTY. LASTING PROTECTION.

- **RESTORES LIKE NEW**
Revives faded plastics and brings back the original look.
- **UV PROTECTION**
Protects against sun damage and prevents fading and discoloration.
- **LONG-LASTING FINISH**
Provides a durable, non-greasy finish that lasts for weeks.
- **CLEANS & CONDITIONS**
Cleans, nourishes and enhances all plastic surfaces.
- **EASY TO USE**
Quick and easy application for professional results.

The image features a can of Aerosphere Rodent Repellent Spray on a dark, reflective surface. To the left of the can, a brown mouse is shown in profile, facing left. The background is a blurred warehouse interior with yellow shelving units. The can is white with a blue cap and a blue diagonal stripe at the bottom. It has a circular logo with a refresh symbol at the top, followed by the brand name 'AEROSPHERE'. Below that, the product name 'RODENT REPELLENT SPRAY' is written in large, bold, black letters. Underneath the product name, it says 'LONG-LASTING PROTECTION FOR EVERY SPACE' in smaller blue letters. A red circle with a diagonal line through it and a black mouse silhouette is positioned above the bottom text 'FOR INDUSTRIAL & COMMERCIAL USE'.

RODENT REPELLENT SPRAY

KEEP RODENTS AWAY. PROTECT WHAT MATTERS.

-  **Effective Protection**
Helps keep rodents away and secures your space.
-  **Safe & Responsible**
Formulated for safe use around people and pets when used as directed.
-  **Long-Lasting Formula**
Provides continuous protection against rodent intrusion.
-  **Versatile Use**
Ideal for warehouses, factories, storage areas and commercial spaces.
-  **Easy Application**
Quick and convenient spray for hassle-free results.

Rodent Repellent Spray

The image shows a can of Aerosphere Underbody Coating Spray. The can is white with a black cap and a black base. The label features the Aerosphere logo (a blue square with a white circular arrow) and the text "AEROSPHERE" in black. Below that, "UNDERBODY COATING SPRAY" is written in large, bold, black letters. Underneath, "PROTECTS. SEALS. STOPS RUST." is written in red. A circular inset on the can shows a close-up of the spray being applied to a metal surface. At the bottom of the can, it says "DURABLE PROTECTION AGAINST RUST AND CORROSION" and "NET. 500 ml". The can is positioned in front of a car's underbody, which is visible in the background. The car is on a lift, and the garage floor is wet and reflective.

SUPERIOR RUST PROTECTION
Forms a tough protective barrier that prevents rust and corrosion caused by moisture, salt and road grime.

DURABLE & LONG LASTING
Flexible, impact-resistant coating that withstands extreme conditions, vibration and temperature changes.

REDUCES NOISE & VIBRATION
Dampens road noise and vibration for a quieter and more comfortable driving experience.

EASY TO APPLY
Quick-drying formula with excellent adhesion. Suitable for DIY and professional use.

WIDE APPLICATION
Ideal for car underbodies, chassis, wheel arches, panels and other metal surfaces.

Underbody Coating Spray

AEROSPHERE

CHAIN CLEANER

CLEAN CHAINS.
MAXIMISE PERFORMANCE.

POWERFUL CLEANING • FAST ACTING

A product advertisement for Aerosphere Metal Polish. On the left, a tall, white aerosol can with a black cap is shown. The label features a blue circular logo with three arrows, the brand name 'AEROSPHERE™', and 'METAL POLISH' in large, bold letters. Below that, it says 'SHINE. PROTECT. PRESERVE.' and shows images of a car wheel, a small metal container, and a teapot. To the left of the can, a large, ornate silver teapot and a small metal bowl are visible. In the background, three silver forks are hanging on a wall. On the right side of the image, the text 'METAL POLISH' is written in large, bold, white letters, followed by 'SHINE. PROTECT. PRESERVE.' in a smaller font. Below this, there are five circular icons, each with a white background and a black border, representing different benefits of the product. The background is a dark, textured surface, possibly a workbench or a kitchen counter, with a blue cloth and a dark object visible on the right.

METAL POLISH

SHINE. PROTECT. PRESERVE.

- **RESTORES BRILLIANT SHINE**
Cleans & polishes metal surfaces
- **PROTECTS AGAINST CORROSION**
Leaves a protective, anti-rust layer
- **REMOVES TARNISH & OXIDATION**
Effectively removes rust, tarnish and dullness
- **EASY TO USE**
Smooth application, quick results
- **SUITABLE FOR MULTIPLE METALS**
Ideal for chrome, stainless steel, aluminum, brass & more

Brings back the shine.
Protects for longer.

The image shows a can of Aerosphere Stainless Steel Cleaner and Polish. The can is black and white with a blue circular logo at the top. The text on the can reads: "AEROSPHERE", "STAINLESS STEEL CLEANER AND POLISH", "CLEAN. SHINE. PROTECT.", "CLEANS • POLISHES • PROTECTS", "RESTORES SHINE • ANTI-FINGERPRINT", and "NET. 500 ml". The can is placed on a stainless steel surface, and a folded grey cloth is visible to the left. The background is a blurred kitchen with stainless steel shelves and equipment.

POWERFUL CLEANING
Effectively removes dirt, grease, fingerprints and smudges from stainless steel surfaces.

RESTORES BRILLIANT SHINE
Polishes and enhances the natural luster, leaving a high-gloss, like-new finish.

ANTI-FINGERPRINT SHIELD
Leaves a protective barrier that resists fingerprints, smudges and water spots.

PROTECTS & PREVENTS
Helps protect against rust, corrosion and everyday wear for long-lasting performance.

WIDE APPLICATION
Ideal for elevators, appliances, kitchen equipment, railings, automotive trims and more.

Stainless Steel Cleaner & Polish

Clean, polish, protect

POWERFUL CLEANING

Penetrates deep to lift and remove dirt, stains, dust and tough grime from carpets and upholstery.

ELIMINATES ODORS

Neutralizes unpleasant odors at the source, leaving carpets fresh and clean.

SAFE ON FABRICS

Gentle yet effective formula that is safe for carpets, rugs and upholstery.

FAST ACTING FORMULA

Works quickly to break down stains and dirt for easy cleaning and minimal effort.

LEAVES NO RESIDUE

Dries clean without sticky residue, so carpets stay soft, fresh and ready to use.

A tall, cylindrical can of Aerosphere Dish Wash Gel stands on a grey kitchen countertop. The can has a green cap and a white body with green accents. It features a blue circular logo with three arrows, the brand name 'AEROSPHERE™', and the product name 'DISH WASH GEL' in large green letters. Below this, it says 'TOUGH ON GREASE. GENTLE ON HANDS.' and shows an illustration of clean dishes and a lemon slice. At the bottom, it repeats 'CUTS GREASE. LEAVES SPARKLE.' The background is a blurred kitchen with a sink, faucet, and a dish rack containing clean white plates. To the right of the can, there are fresh lemons and a basil leaf on the counter.

DISH WASH GEL

CUTS GREASE. LEAVES SPARKLE.

-  Powerful grease cutting formula
-  Gentle on hands, tough on dirt
-  Fresh lemon fragrance for a clean feel
-  Leaves utensils spotless & shining
-  Rich foam for better cleaning

HVAC Maintenance

Aerosphere product range

AC CLEANER
— ANTI-MICROBIAL FOAM —

AEROSPHERE

**AC
CLEANER**
— ANTI-MICROBIAL FOAM —

Powerful foam formula
that clings to coils
for deep cleaning

AC CLEANER
— ANTI-MICROBIAL FOAM —

- Anti-microbial action that kills bacteria, mould & fungi
- Removes dirt, dust, grease and biofilm in one step
- Improves cooling efficiency and airflow
- Non-corrosive & safe on aluminium and copper coils
- Leaves a protective barrier against future microbial growth

AC Cleaner — Antimicrobial Foam

Kills bacteria, fungi, odour

The image shows a can of Aerosphere AC Coil Cleaner. The can is white with a black cap and a black base. The label features the Aerosphere logo (a blue square with a white circular arrow) and the text "AEROSPHERE" in black. Below that, "AC COIL CLEANER" is written in large, bold, black letters. Underneath, in green, it says "CLEAN COILS. BETTER COOLING." At the bottom of the label, there is an image of a clean AC unit and the text "Cleans • Deodorizes • Improves Efficiency". The can is placed on a dark surface. In the background, to the left, is a dirty AC filter with a thick layer of white foam or dirt on it. To the right, there is a window with a view of greenery outside.

POWERFUL CLEANING
Effectively removes dust, dirt, grease and other contaminants from AC coils and fins.

IMPROVES EFFICIENCY
Enhances heat transfer, improves cooling performance and reduces energy consumption.

ELIMINATES ODORS
Kills bacteria and removes musty odors, leaving fresh and clean airflow.

FAST ACTING FORMULA
Foaming action penetrates deep into coils for thorough and effective cleaning.

WIDE APPLICATION
Suitable for evaporator coils in split ACs, window ACs, commercial units and refrigeration systems.

AC Coil Cleaner

Non-corrosive, restores airflow

Industrial Maintenance

Aerosphere product range

Multipurpose Cleaner & Lubricant

A can of Aerosphere Rust Penetrant and Lubricant is shown next to various rusty mechanical parts, including a large rusted metal component, a bolt, and a nut. The can is white with a black cap and features the Aerosphere logo and product name. The background is dark and industrial.

AEROSPHERE

**RUST
PENETRANT
AND
LUBRICANT**

PENETRATES. PROTECTS.
PERFORMS.

LOOSENS RUSTED PARTS
LUBRICATES • PROTECTS • DISPLACES MOISTURE

NET. 500 ml

- **POWERFUL RUST PENETRATION**
Deeply penetrates rust, corrosion and seized parts to loosen them fast.
- **SUPERIOR LUBRICATION**
Provides long-lasting lubrication for smooth operation and less wear.
- **PROTECTS & PREVENTS RUST**
Forms a protective barrier that prevents rust and corrosion.
- **DISPLACES MOISTURE**
Drives out moisture to restore performance and prevent corrosion.
- **WIDE APPLICATION**
Ideal for automotive, industrial, marine, home and workshop use on nuts, bolts, hinges, chains and metal components.

Rust Penetrant & Lubricant

Heavy Duty Degreaser

The image shows a can of Aerosphere Brakes and Parts Cleaner. The can is white with a black cap and a black base. The label features the Aerosphere logo (a blue square with a white circular arrow) and the text "AEROSPHERE" in black. Below that, "BRAKES AND PARTS CLEANER" is written in large, bold, black letters. Underneath, in smaller red letters, it says "CLEAN. DEGREASE. IMPROVE PERFORMANCE." At the bottom of the can, there is a red and black graphic of a brake rotor and caliper. Below this graphic, it says "POWERFUL CLEANING • FAST DRYING" and "RESIDUE FREE" in white. At the very bottom, it says "NET. 500 ml" in white. The can is placed on a dark, reflective surface. In the background, there are various automotive parts, including brake rotors and calipers, and some tools like wrenches.

POWERFUL CLEANING
Effectively removes brake dust, oil, grease, dirt and other contaminants.

FAST DRYING FORMULA
Dries quickly with no residue, leaving parts clean and ready to use.

IMPROVES PERFORMANCE
Helps restore braking efficiency and reduces noise caused by contamination.

SAFE FOR APPLICATION
Safe on metal components and most auto parts. Non-corrosive and non-conductive.

WIDE APPLICATION
Ideal for brake systems, calipers, rotors, drums, clutch parts and other automotive components.

Brake & Parts Cleaner

The image shows a can of Aerosphere Carburettor and Choke Cleaner standing next to a carburettor. The can is white with a black cap and a red swoosh. The background is a blurred workshop with tools hanging on a wall.

AEROSPHERE
**CARBURETTOR
AND
CHOKE
CLEANER**
CLEAN SYSTEMS.
RESTORE PERFORMANCE.

CLEANS • DEGREASES • RESTORES
IMPROVES THROTTLE RESPONSE

NET. 500 ml

- **POWERFUL CLEANING**
Removes gum, varnish, carbon deposits and dirt from carburettors and choke components.
- **IMPROVES PERFORMANCE**
Restores smooth throttle response, easy starting and optimal engine performance.
- **FAST ACTING FORMULA**
Quickly penetrates and dissolves deposits for fast and effective cleaning.
- **SAFE FOR COMPONENTS**
Safe on metal and most plastic parts when used as directed.
- **WIDE APPLICATION**
Ideal for all carburetted engines, motorcycles, scooters, cars, generators and equipment.

Carburettor & Choke Cleaner

The image shows a can of Aerosphere Chain Cleaner. The can is white with a black cap and a black base. The label features the Aerosphere logo (a blue square with a white circular arrow) and the text "AEROSPHERE" in black. Below that, "CHAIN CLEANER" is written in large, bold, black letters. Underneath, in smaller orange letters, it says "CLEAN CHAINS. MAXIMISE PERFORMANCE." At the bottom of the can, it says "POWERFUL CLEANING • FAST ACTING RESIDUE FREE" and "NET. 500 ml". To the left of the can, a motorcycle chain is visible, and in the background, a workshop setting with various tools and equipment is blurred.

- **POWERFUL CLEANING**
Effectively removes dirt, grease, oil and grime from chains.
- **IMPROVES PERFORMANCE**
Helps maintain smooth operation and extends chain life.
- **FAST ACTING FORMULA**
Quickly penetrates and cleans with fast drying action.
- **SAFE & RESIDUE FREE**
Leaves no sticky residue, safe for O-ring, X-ring and standard chains.
- **WIDE APPLICATION**
Suitable for motorcycles, bicycles, industrial chains and machinery.

Chain Cleaner

Chain Lubricant

The image shows a can of Aerosphere Throttle Body Cleaner. The can is white with a black cap and a black base. The label features the Aerosphere logo (a blue square with a white circular arrow) and the text "AEROSPHERE", "THROTTLE BODY CLEANER", "CLEAN. RESTORE. IMPROVE PERFORMANCE.", and "CLEANS • DEGREASES • RESTORES IMPROVES AIRFLOW & PERFORMANCE". The net volume is listed as "NET. 500 ml". To the left of the can, a disassembled throttle body and various tools (wrenches and a screwdriver) are visible on a dark, reflective surface. The background is a blurred image of an engine.

POWERFUL CLEANING
Removes carbon, gum, varnish and dirt from throttle body and intake components.

IMPROVES PERFORMANCE
Restores smooth throttle response, helps improve acceleration and engine efficiency.

FAST ACTING FORMULA
Quickly penetrates and dissolves deposits for fast and effective cleaning.

SAFE & EFFECTIVE
Safe on metal and most plastic parts, leaves no residue.

WIDE APPLICATION
Ideal for all gasoline engines, cars, motorcycles and light-duty vehicles.

Throttle Body Cleaner

The image features a can of Aerosphere Stainless Steel Cleaner and Polish in the foreground, set against a blurred background of a professional kitchen. The can is white with a black cap and base. The label includes the Aerosphere logo (a blue square with a white circular arrow), the brand name 'AEROSPHERE', the product name 'STAINLESS STEEL CLEANER AND POLISH', the tagline 'CLEAN. SHINE. PROTECT.', and a list of benefits: 'CLEANS • POLISHES • PROTECTS' and 'RESTORES SHINE • ANTI-FINGERPRINT'. The net volume 'NET. 500 ml' is printed at the bottom of the can. To the right of the can, five circular icons with blue outlines are arranged vertically, each accompanied by a bold title and a descriptive sentence.

POWERFUL CLEANING
Effectively removes dirt, grease, fingerprints and smudges from stainless steel surfaces.

RESTORES BRILLIANT SHINE
Polishes and enhances the natural luster, leaving a high-gloss, like-new finish.

ANTI-FINGERPRINT SHIELD
Leaves a protective barrier that resists fingerprints, smudges and water spots.

PROTECTS & PREVENTS
Helps protect against rust, corrosion and everyday wear for long-lasting performance.

WIDE APPLICATION
Ideal for elevators, appliances, kitchen equipment, railings, automotive trims and more.

Stainless Steel Cleaner & Polish

The image shows a can of Aerosphere Silicon Mould Release Spray. The can is black with a white label. The label features the Aerosphere logo (a blue square with a white circular arrow) and the text "AEROSPHERE", "SILICON MOULD RELEASE SPRAY", "SMOOTH RELEASE. PERFECT FINISH.", "PREVENTS STICKING • PROTECTS MOULDS", "ENHANCES SURFACE FINISH", and "NET. 500 ml". The can is placed on a metal workbench. In the background, there are various industrial moulds and parts, including a large metal mould and a small white plastic part.

- **EASY MOULD RELEASE**
Prevents sticking and ensures easy release of moulded parts.
- **EXCELLENT SURFACE FINISH**
Delivers a smooth, clean finish without marks or blemishes.
- **PROTECTS & EXTENDS MOULD LIFE**
Forms a protective barrier that reduces wear and build-up.
- **NON-STAINING FORMULA**
Non-staining, non-corrosive and safe for most mould materials.
- **WIDE APPLICATION**
Suitable for plastic, rubber, silicone and composite moulds in various industrial processes.

Silicone Mould Release Spray

POWERFUL CLEANING

Removes dirt, oil, grease and contaminants from electrical contacts.

IMPROVES PERFORMANCE

Improves electrical contact performance and helps restore reliable connections.

FAST DRYING FORMULA

Fast drying with minimal residue for quick and efficient maintenance.

VERSATILE APPLICATION

Suitable for switches, connectors, terminals and electrical components.

WIDE RANGE USE

Ideal for automotive, industrial and electronic maintenance.

Electric Contact Cleaner

A can of Aerosphere Anti Spatter Spray is shown in the foreground. The can is white with a blue band and a clear cap. It features the Aerosphere logo (a blue square with three white arrows in a circle) and the text 'AEROSPHERE' and 'ANTI SPATTER SPRAY'. Below the product name, it says 'Instant non-stick barrier against welding spatter'. In the background, a welding torch is shown creating bright sparks on a metal surface.

ANTI SPATTER SPRAY

Instant non-stick barrier against welding spatter

-  Easy aerosol spray - quick & even coverage
-  Protects nozzles, tips, clamps & workpieces
-  Spatter wipes off effortlessly
-  Fast-drying, residue-free formula
-  Safe non-flammable options available

Anti Spatter Spray

ZINC GALVANISING SPRAY

AEROSPHERE®

ZINC GALVANISING SPRAY

CORROSION PROTECTION THAT LASTS

-  Provides protective zinc coating on ferrous metal surfaces
-  Helps prevent rust and corrosion
-  Excellent adhesion and durable protection
-  Fast drying with uniform coverage
-  Ideal for touch-up and repair of galvanised surfaces
-  Suitable for maintenance, fabrication and industrial applications

Zinc Galvanising Spray

The image features a can of Aerosphere Spray Paint. The can is white with a blue band around the middle. It has a clear plastic cap and a silver spray nozzle. The background is a blurred industrial setting with yellow railings and blue machinery.

SPRAY PAINT

Premium Finish. Lasting Protection.

-  Fast Drying with Excellent Coverage
-  Strong Adhesion on Multiple Surfaces
-  UV-Resistant & Anti-Fade
-  Premium Glossy Finish & Long-Lasting Color

SPRAY PAINT

ACRYLIC & NC BASED
Ultra Glossy Smooth Finish
